Occurrence	Location / Period
BDA	University of Bradford / Semester 2

Module Aims
Provide a supportive learning environment for the development of your skills in writing scripts for Film or Television. You will learn how to develop compelling stories, from pitching initial ideas to full outlines and a draft script for a 10min short film.

Outline Syllabus
The elements of a story, narrative structure, conventions, genre-how to write a script-the process of creating scripts, revision -develop innovative ways to handle dialogue, action, visual effect and overall structural control in your script writing-present ideas effectively in a script-revise and edit creative writing to a professional standard

Learning Outcomes	
Outcome Number	Description
01	Identify narrative structure, character development, effective dialogue.
02	Write an outline for a potential script idea, based on content and genre research.
03	Produce an original script that has changed through feedback during the development stage.
04	Provide high quality constructive criticism of developing scripts.

Learning, Teaching and Assessment Strategy
<p>Classroom activity will be aimed at exploring the interaction of script and performance, as well as devoted to the basic analysis of how scripts work. Teaching methods include</p> <ul style="list-style-type: none"> - Analysis of theatrical material for group discussion - Managed discussion of student scripts - Seminar discussion of the principles of script writing - Providing detailed feedback to student scripts that have been read in advance - Studying published scripts - Writing drafts for both performance and seminar discussion - Classroom presentation of work in progress in the form of plot outlines, character sketches and scripts - Tutorial discussion of drafts <p>Learning activities include</p> <ul style="list-style-type: none"> - A story outline - A 10 minute script (10-12 pages) for film or television. While this may be a complete short work, it can (and likely will) be part of a longer piece. i.e. the beginning of a pilot TV episode; the opening of Act 2 of a stage play, etc. - A collection of submitted feedback reports evaluating the work of peers from developmental reviews during the semester. <p>Formative Assessments</p> <ul style="list-style-type: none"> - Classroom presentation of work in progress in the form of plot outlines, character sketches and scripts <p>Summative Assessments</p> <ul style="list-style-type: none"> - A story outline - A 10 minute script (10-12 pages) for film or television. While this may be a complete short work, it can (and likely will) be part of a longer piece. i.e. the beginning of a pilot TV episode; the opening of Act 2 of a stage play, etc. - A collection of submitted feedback reports evaluating the work of peers from developmental reviews during the semester.

Mode of Assessment			
Type	Method	Description	Weighting
Summative	Coursework	Story Outline and Script	70%
Summative	Coursework	Critical peer feedback	30%
Referral	Coursework	Story Outline and Script	100%
