

BSc Chemistry Apprenticeship - (Part Time) September 2019

The following activities are planned for newly incoming apprenticeship students enrolled at the University of Bradford, September 2019. During a 2 week placement students are introduced to the requirements of higher education, familiarised with both the courses and the teaching staff they will be working with, and get their hands on several days of practical chemistry covering a diverse range of the chemical curriculum (as part of their requirements for the Practical Chemistry 1 at distance module – these are marked in bold to differentiate them from other activities).

The times proposed in this schedule are subject to changes reflecting staff availability and all changes will be communicated, in advance, to students via email.

Please note on Monday 9th September you will be completing your enrolment with an ID check. Please ensure you bring some valid ID, such as a passport or drivers license with you.

Monday 9th

9.30 - Staff welcome the course
10.00 - Student introductions
10.30 - Tour of the Department
11.00 - Tour of the Analytical Centre
11.30 - Tour of Campus
12:00 - Lunch
13:00 – Lab Induction, H&S
14.00 - **Glassware free lab in the afternoon**
16.00 - Logging into computers
17.00 - Curry invite

Tuesday 10th

9.00 - Reflective Practice
11.00 - Module leader get to know you
11.15 - Organic Chemistry introduction
11.30 - Inorganic chemistry induction
12.00 - Personal tutor and mentor introduction
14.00 – STEM session

Wednesday 11th

9.30 Practical Chem 1 (all day)

Thursday 12th

9.30 Practical Chem 2 (all day)

Friday 13th

9.30 Practical Chem 3 (all day)
12.30 –communal lunch

Monday 16th

10.00 - SU/VC talk – Richmond N04
11.00 Practical Chem 4 (all day)

Tuesday 17th

9.00 – Logging into computers – JBPL/01.53
11.30 – Chemistry Careers – Richmond J19
13.00 – Chemistry, Disabilities, Health & Student Advice – Richmond H33

Wednesday 18th

9.00 Practical Chem 5a (morning only)
13.00 - Fresher's Fair – Student Central

Thursday 19th

10.00 Practical Chem 5a (all day)

Friday 20th

10.00 Practical Chem 5b (morning only)
13.00 - Personal tutor Reflection on summer school
13.30 - communal lunch / farewell
